March 9, 2015-Hillary Geoly taking the minutes

-Welcome

- PTC thanked all attendees taking the time to attend our first PTC meeting since December.

Principal's report

Principal Pomroy gave us an update on Gettysburg. The Moe's and McDonald's card sale went very well and sales have ended. Any unsold cards will need to be turned into the office as soon as possible. The Gettysburg trip is scheduled for May 6-8. Two nights & three days. Parent chaperones will be notified by the end of next week.

8th graders only will have a science CMTs on Wednesday, March 11th. The standardized SBAC tests for 7th & 8th graders will begin on Monday March 30 and continue up until spring break april 10th.

The new snack vending machine that was placed in the school a few months ago for students & staff might not comply with the school districts "pouring rights" contract with coca cola bottling company. We have contacted the board of education to learn more about this contract with coca-cola and if we have to remove the vending machine. We are currently waiting for a response from the BOE business manager.
