Principal report

Mrs Agard reported for Mr. Pomroy as he was unable to attend.

-Mr. Pomroy asked if the PTC would fund \$200 for the Veterans Day breakfast, an estimated 15 to 20+ Veterans should be in attendance.

-Gettysburg trip for eighth grade will be May 3-5th, a new tour group is being used and \$100 deposit is due by the end of November.

-A lip sync competition is being planned with Mr. Riley.

- Half days Weds 11/16 K-8th and Thurs 11/17 K- 6th + LHS. Conferences 1-3:15p/5- 7:30 PM.

BOE Report-

- Two vacancies are open on BOE Republican Party, please contact Anthony Favry if interested. -The budget season is upon us, please get involved and be informed. Budget talks with the Town Council have been going on.

-The green government forms were discussed, a suggestion was made to have the forms mailed home directly to parents due to their importance.

Presidents report-

-The Fun Run was a huge success raising approximately \$3000 per participating school.

Important for LMS to get more students involved, a suggestion was made to get homeroom teachers on board to hype it up. The coordinators of the Fun Run are looking into organizing the run independently without using Meadow Farms because they take 30% of the earnings +3 dollars per T-shirt.

-Gettysburg fundraisers were discussed. Stephanie Calhoun and Jen Harren will be getting the butter braids fundraiser going for the spring. This will directly help 7th graders start raising funds for their 8th grade Gettysburg trip. It was suggested to ask the company for some samples and cook them up for March conferences. Would like to get orders before Easter on April 16th. It was suggested they contact Eileen Holdridge as she has more information.

-Amy Yaras and Dawn Sullivan purchase discounted Halloween candy to be used for the Librarians March Madness brainteaser prizes. Mrs. Smith has been doing a great job sprucing up the library.

-Snacks are stocked for wrestling and basketball.

-Chrome Book covers will be added to school store. Dawn Sullivan is looking into purchasing water bottles approx.200 and splitting them between schools to also sell at school store.
